

## Welcome to Art al Fresco Boerne's public art program

What is Art al Fresco? It is an outdoor, or "fresh air" exhibit of temporary public art.

We hope you enjoy the discovery of each piece as you journey through our historic downtown, known as Boerne's Hill Country Mile, and Boerne's Trail system.

The sculptures are for sale and the City will have the option to purchase at least one of the sculptures for its permanent collection.

We invite you to be part of selecting "Boerne's Choice" by casting a vote for your favorite sculpture on the Otocast App.
