806-742-2116
FAX: 806-742-1169

The Texas Tech University System is an Equal Opportunity Employer that encourages all Historically Underutilized Businesses to participate.

I. REQUEST FOR QUALIFICATIONS IN PUBLIC ART

The Texas Tech University System (Texas Tech) seeks Statements of Qualifications from Professional Visual Artists for the project described below. The selected Artist will contract directly with Texas Tech to successfully complete the full scope of the Project within the project budget and on schedule. Through the percent-for-art program, Texas Tech seeks to enrich the cultural and intellectual life of its campuses by building a collection of public art created by leading artists of our time.

This Request for Qualifications (RFQ) provides information on the scope of the project and information to aid in preparing responses to this RFQ. All inquiries regarding this Project and RFQ must be in writing and must be submitted to the Project Manager listed below in sufficient time to allow Texas Tech to respond. Texas Tech will evaluate the inquiries, determine whether an Addendum is required, and issue an appropriate response on the Electronic State Business Daily (<http://esbd.cpa.state.tx.us>). Interested artists should periodically check the ESD posting for revisions.

Facilities Planning and Construction is not responsible for the accuracy or comprehensiveness of information provided by other Texas Tech officials or other agencies. Artists should not rely on information obtained from sources other than the Project Manager listed below. Texas Tech reserves the right to waive any or all formalities and to reject any or all responses if it determines it is in its best interest to do so.

II. PROJECT INFORMATION

Project: The Dustin R. Womble Basketball Center

Project Number: 17-04

Institution: Texas Tech University

Location: Lubbock, Texas

Completion Date: August 2020

Project Budget: **\$281,000 (All Inclusive)**. This amount is inclusive of all costs associated with this public art project including, but not limited to, artist fees, other consultants' and subcontractors' fees, insurance conforming to Texas Tech University standards, engineering, materials, fabrication, transportation, installation (including any site modification), and post-installation documentation.

**Please note that artists submitting from outside of the United States may be subject to a 30% tax withholding from the Internal Revenue Service.*

Project Scope: The Texas Tech University System seeks to commission a professional artist to create site-specific exterior murals to be placed on the exterior of the new Dustin R. Womble Basketball Center, located on the Texas Tech University campus in Lubbock, TX. Construction of the facility will be completed by August 2020.

Safety is imperative; durable, low-maintenance materials are recommended to withstand West Texas' intense weather conditions. The Dustin R. Womble Basketball Center will be located at one of Texas Tech's main intersections, directly across the street from the United Supermarkets Arena, where graduations, basketball and volleyball games, and many concerts are held. The public art at this location has an opportunity to contribute significantly to the overall aesthetic on campus. See attachments for building renderings and selected public art locations.

Ideal submissions will include mosaic or other types of murals representative of Texas Tech Athletics, specifically, the basketball program. Use of photographs from Texas Tech's sports archive for inspiration is encouraged. The selected artist will work with TTU

representatives in their image selection. This piece will be outdoors and available to the community.

The commissioned artist(s) will create works of art that will serve as visual representations of the TTU basketball program and serve as focal points and unifying elements for the new Dustin R. Womble Basketball Center. These works should resonate with the function of the building and will be placed on exterior walls.

See attachments for marked locations on renderings. Locations 1-4 are mandatory; locations 5-7 are optional if the commissioned artists feel it is within the current budget. Note that the north side of the building is designated for women's basketball, while the south side is designated for men's basketball. Public art can serve as indications for the functions of each side and different portions of the building through images.

Public art near this location include "Bulls" by Peter Woytuk and "Texas Rising" by Joe O'Connell and Blessing Hancock (see photos in attachments).

In order to be considered, submissions must comply with the requirements outlined in this document. Objects that are mass-produced or of standard manufacture are not eligible for consideration.

Design Proposal
Stipend:

Selected finalists will receive a maximum of \$2500 for travel and design fees following the submission and presentation of a Design Proposal and a model.
**Please note that artists submitting from outside of the United States may be subject to a 30% tax withholding from the Internal Revenue Service.*

Project Manager:

Emily Wilkinson, emily.wilkinson@ttu.edu

III. BACKGROUND

Founded in 1923 as Texas Technological College, Texas Tech University has the distinction of being the largest comprehensive higher education institution in the western two-thirds of the state of Texas. Texas Tech's campus boasts a strong tradition of Spanish Renaissance architecture, characterized by light-colored brick structures with stone accents and red tile roofs. More information about the architectural traditions of Texas Tech can be found at <http://today.ttu.edu/2010/03/campus-architecture-history/>.

The Texas Tech University System's Public Art Program was initiated by the Board of Regents as an investment in the campus environment and an extension of Texas Tech's educational mission. The Public Art Committee, with the Director for Public Art, commissions original public artworks of the highest quality, be they permanently sited, portable, or architecturally integrated. These works are funded using one percent (1%) of the estimated total cost of each new major capital project. Since 2001, the Public Art Program has commissioned or purchased artworks by some of today's leading artists, including Deborah Butterfield, Terry Allen, Barbara Grygutis, Larry Kirkland, Bruce Munro, Jesús Moroles, Albert Paley, Shan Shan Sheng, and numerous others.

The Dustin R. Womble Basketball Center is a new building in development for the both the men's and women's basketball programs. The facility will house 2 practice courts with associated run-off space and bleachers, locker rooms for both men's and women's programs, coaches' offices, trainer area, catering and nutrition space, two film review rooms, two team lounge spaces, as well as all associated current day practice facility amenities specific to top tier Division 1 basketball.

<https://texastech.com/>

Finalists will develop a design concept that reflects the standards and culture of Texas Tech specific to the Dustin R. Womble Basketball Center, and will prepare presentation materials, drawings, a model, and related specifications in sufficient detail and in the format required to convey the design intent.

Note: The commissioned artist will be issued sets of construction documents and shall verify all dimensions prior to the commencement of work.

IV. COMMISSION REQUIREMENTS

If commissioned, the successful Artist shall be responsible for the following:

1. Performing all services and furnishing all supplies, material, and equipment as necessary for the design, execution, fabrication, transportation, and installation of the Work at the Site, and providing professional documentation photos and a brief artist video at the conclusion of the project.
2. Submitting to Texas Tech detailed working drawings of the commissioned Work and the Site(s) in order to permit Texas Tech to carry out architectural and engineering design reviews and to certify the compliance of the Work with applicable statutes and ordinances.
3. Strictly adhering to and managing the approved project, budget, and schedule, including the submission of monthly written Progress Reports to Texas Tech.
4. Bearing the entire risk of loss or damage to the Work during design, fabrication, packing, shipping, and installation.
5. Providing and maintaining insurance to cover claims for damages for personal injury, bodily injury (including wrongful death), and property damage. The Artist shall require all subcontractors to provide and maintain insurance. A complete list of insurance requirements will be provided to project finalists.
6. The Artist's design(s) should complement Texas Tech's architectural traditions and enhance the Site's identity and use.

V. SUBMISSION REQUIREMENTS

Submissions are due: 3:00 PM, CDT, March 20, 2019

Any response received after the closing time will be disqualified. Any proposal without a signed Attachment A will be disqualified as non-responsive.

Prior to mailing a submission, artists should check the Electronic State Business Daily site at <http://esbd.cpa.state.tx.us/> (searchable by project or agency name) for any addenda that may be posted in relation to this project.

Response Submittal: **All materials required for the Statement of Qualifications should be submitted online at publicartist.org, including a scanned signed copy of Attachment A, Form of Response, and images of past work. No mailed submissions will be accepted.**

Schedule Information:	Post RFQ	February 11, 2019
	Written Inquiries must be received by	February 25, 2019
	Responses to Inquiries	February 27, 2019
	Artist Submission due by 3:00 PM, CDT, March 20, 2019	
	Finalist(s) selected and notified	early April 2019
	Finalist(s) design Presentations	May/June 2019
	Commission awarded	TBD
	Project Completion	August 2020
	<i>Texas Tech reserves the right to modify this schedule as required.</i>	

SUBMISSION REQUIREMENTS

All ARTISTS responding to this Request for Qualifications must submit complete responses to the information required in this section and to note any exceptions to any information required in the RFQ. Submit **all** required materials online at **publicartist.org**, including a **signed scanned copy** of Attachment A, Form of Response, noting the number of Addenda the artist has viewed (addenda can be found on the Electronic State Business Daily; see above for more information).

Responses will be evaluated based upon the selection criteria listed below. **Respondents should present the required information in a clear and concise manner in the following order and format:**

Artist Resume (2 pages)

- Include degrees held, a summary list of exhibitions/public art projects completed during the past ten (10) years, selected exhibitions/public art projects, awards, catalogues, current gallery affiliations, and grants / fellowships).

Digital Images of Past Work (5 – 15)

- Images of Previous Work. Please closely observe the following guidelines for the submittal of digital images:
 - Submit between five (5) and (15) images featuring select examples of previous public art projects with particular emphasis on works of a similar scope or utilizing similar techniques.
 - Include the artist name, the year, location, media, and **budget** of featured artwork. Describe the project concept in one to two sentences maximum.
 - Do NOT include proposed pieces that were not accepted. Only submit work that you have created or that is in process.

Artist Statement (500 words)

- Please describe the conceptual basis for your body of work as a whole. In a separate paragraph, please explain your experience working with architectural, engineering, and design specifications and drawings (limit to 500 words).

Letter of Interest (500 words)

- Please describe your initial impressions of and projected approach to this public art project for the Dustin R. Womble Basketball Center. Specifically, please address your thoughts on location and medium and, if applicable, discuss any projects for which you used a similar approach (limit to 500 words).

References (3 required)

- Include phone numbers **and email addresses** for at least three (3) professional references from your most recent public art projects.

Attachment A (Cover Sheet – REQUIRED BY THE STATE OF TEXAS)

- Include name, address, telephone, email, and website (if applicable) of the ARTIST to receive all Project information, or any official correspondence relating to the Project. **Please reference the project name (Womble Basketball) and number (17-04) on all correspondence.**

Concept Sketch (OPTIONAL)

- Although a concept sketch is NOT REQUIRED, Artists have requested a space for this on previous projects. If you have created one, please upload it here.

All inquiries should be clearly marked with the Project Name (Womble Basketball) and Number (17-04).

Texas Tech reserves the right to request additional information from individual artists.

EVALUATION CRITERIA

Texas Tech will select the Artist that best meets the requirements, based on the information contained in their response to the Request for Qualifications, any reference checks conducted, and the information presented during any interviews conducted as part of the selection process.

Specifically, in the selection of finalists, Texas Tech University System and its University Public Art Committee will review and consider the following:

1. The conceptual basis for the Artist's body of work as defined in the written statement.
2. The quality – technical and aesthetic – of the artist's past work as represented in the image submissions.
3. The experience of the artist in successfully designing, fabricating, administering, and completing public art projects and/or custom architectural elements on time and in budget.
4. The artist's training and education.
5. The quality and comprehensiveness of the submission package.

After evaluating the artists' submissions, Texas Tech will narrow the pool of applicants to approximately two to five finalists to develop a design and model for presentation to the University Public Art Committee in Lubbock, Texas. Each finalist will be paid an honorarium of \$2,500 for the development of their Design Proposal and to facilitate travel for the presentation. The model will not be returned to the artist if they are selected.

The Design Proposals will be subject to review and acceptance by Texas Tech University System's University Public Art Committee, the President of Texas Tech University, and the Chancellor of the Texas Tech University System.

VI. PROCUREMENT PROCESS

This RFQ complies with all state rules and Texas Tech University System Policies. Address any questions and/or concerns about the process or any awards made from it to:

Mr. Billy Breedlove
Vice Chancellor
Facilities Planning and Construction
Texas Tech University System
Phone: (806) 742-2116
Fax: (806) 742-1169
